SES 80 Youth

SES Youth is for Expert level / advanced young riders only, age 15-16 (DOB 2006-2007)

In exceptional circumstances 13-14 year old riders (DOB 2008-2009) may request to enter the SES 80 category under an Under Age Dispensation Entry .

For SES to consider an UADE request the following will apply.

- A parent or legal guardian has granted permission and is confident in the rider's ability to race on a course with this level of technical & physical challenge .
- The parent or legal guardian has signed a waiver to this effect during the event entry process
- The rider agrees to be subject to a vetting process in which SES will assess the capability of the rider.
- To allow this vetting process to take place the parent or guardian of a rider applying for an UADE MUST contact SES by email : hello@scottishenduroseries.co.uk
- SES will require evidence that the rider has suitable & sufficient experience & ability to ride steep technical terrain.
- This evidence may be in the form of but not limited to, verifiable previous race results, video evidence of riding, testimony of a qualified MTB coach, etc.
- The granting of an Under Age Dispensation Entry will be at the sole discretion of the SES
- A parent or legal guardian must remain on site for the full duration whilst the rider is on course.
- Practice: It is the recommendation of SES that a rider entered under an UADE is accompanied at all times during practice by a responsible adult (over 18) capable of riding the course. This may be an entered racer or a non-racing "Chaperone." Permission for a non racing chaperone will only be granted by SES on prior request. A "chaperone" cannot enter the race course on race day.
- Race: SES will start all riders entered on an UADE as a group & will provide dedicated sweepers to accompany this group for the duration of the race.
- If at any point during the event SES are concerned about the capability & safety of the rider they have the right to withdraw them from the race.

SES recommend that any parent or guardian of a rider requesting an UADE who is unsure of their suitability to enter this level of race should seek to enroll the rider on an advance MTB course with an accredited MTB coaching organisation such as <https://www.dirtschool.co.uk/>
